The Structure of the European Union

The Three Communities

European Economic Community (1957/1958)	European Coal and Steel Community (1951/52)	European Atomic Energy Community (1957/1958)	
--	---	--	--

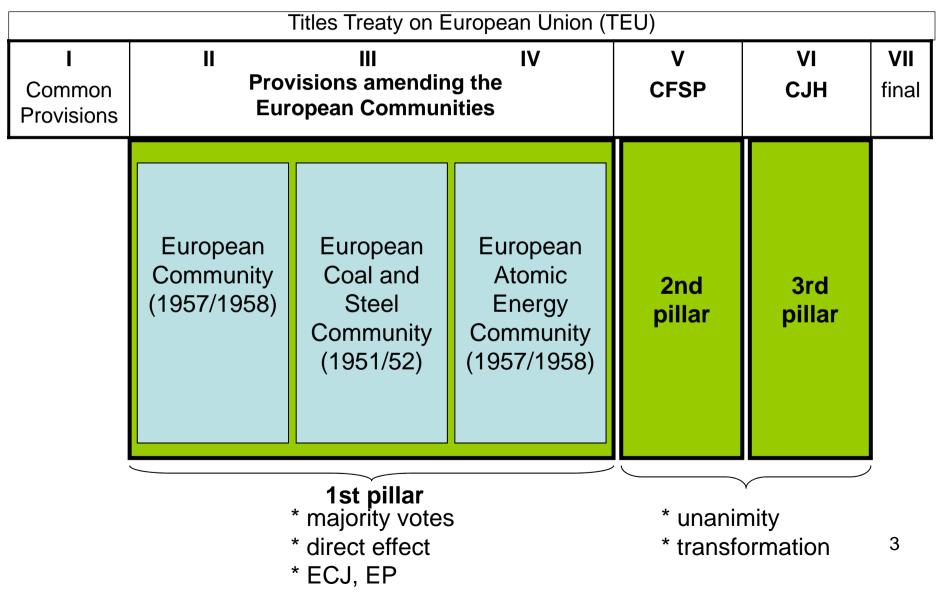

© Dr. Katrin Forgó

The Maastricht Treaty (1992/1993)

* creates the EU,

* modifies the Community Treaties (+EEC->EC),

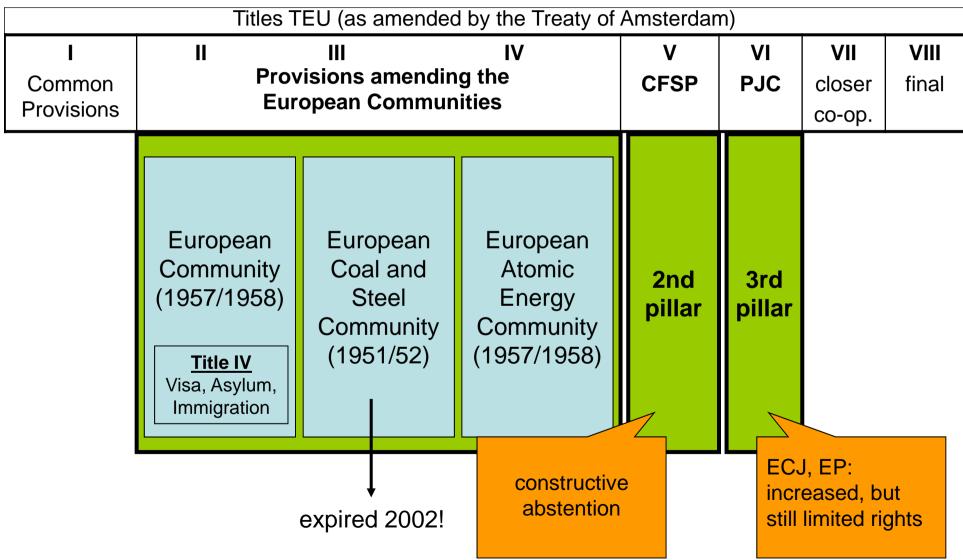

* creates new intergovernmental pillars

© Dr. Katrin Forgó The Amsterdam Treaty (1997/1999)

* modifies both the EU Treaty and the Community Treaties,

* creates a new third pillar (Police&Jud. Co-op. in criminal matters)

LISBON TREATY STRUCTURE

 <u>Article 1 paragraph 3 TEU new:</u> The Union shall be founded on the present Treaty and on the Treaty on the Functioning of the European Union. [...] The Union shall replace and succeed the European Community.

NB: Treaty establishing the European Community _____ Treaty on the Functioning of the European Union

 Title VI TEU old -> Title IV of Part Three of the TFEU new
